Handwritten diagram illustrating security group assignments for a file share:

- Share1-W is assigned to GL-Gruppe1.
- Share1-F is assigned to GL-FS Admin.

The diagram uses red arrows to point from the share names to their respective security groups.

A thin horizontal black line extending across the width of the page.

UPN Anmerkung : UserPrincipalName @ domane.tld

A hand-drawn diagram of a speech bubble. The bubble is irregularly shaped with a wavy top line. Inside the bubble, there is a small square containing a circle with a diagonal cross through it, representing a checkmark or an 'X'. To the right of the square, the word "Speech" is written in a cursive, handwritten font.
